Reliability and affordability

Powered by exceptionally robust AAPT Ethernet network. Availability, simplicity, and consistency have established Ethernet and IP as the communications technologies of choice across many enterprises and small businesses today.

Flexible range of symmetric speeds and great coverage

IP-Line can offer a variety of flexible bandwidths, from 2 to 80Mbps* and is available for businesses located in metropolitan areas of Brisbane, Melbourne, Sydney, Adelaide, Canberra and Perth, as well as many regional centres.

Ideal for today's cloud-based services

Businesses are increasingly using cloud-based business applications like online CRM tools, use of these services requires a secure reliable and synchronous high-speed connection is critical. Mid-Band Ethernet provides the ideal access for many of these cloud-based services.

IP-Line using Mid-Band Ethernet provides the ideal Internet access for many of these cloud-based services.

MyTelcoMate

Why Choose Us?

Because we give the kind of service you just can't get from the big telcos.

One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

Choice of Networks

We know reliability is crucial, it's just got to work. So we only partner with the tier 1 networks so you get the service you're paying for, in more places. And better still, we can offer the network that suits you, not us.

A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

Things You Should Know

1. All prices quoted are inclusive of GST. 2. IP Line Minimum commitment over 24 months is as follows; \$11,016 (2Mb Unlimited plan), \$11,496 (4Mb Unlimited plan), \$14,376 (10Mb Unlimited plan), \$20,856 (20Mb Unlimited plan), \$43,176 (50Mb Unlimited plan), \$55,176 (70Mb Unlimited plan), \$62,376 (100Mb Unlimited plan). 3. Early termination fee, if you choose to cancel your service or it is disconnected for any reason within the 24 month contract term you will be charged an early termination fee comprised of your minimum monthly commitment as per your agreement with us multiplied by the months remaining in your contract. You must provide 30 days' notice to us to disconnect a service. 4. IP Line Speeds are theoretical maximum speeds based on AAPT tests. Actual speeds may be less due to a number of factors including network configuration, line quality & length, exchange type, customer premises interference, traffic, hardware and software. 5. Unlimited usage will not attract any excess fees. 6. Static IP address provided. 7. Network Uptime guarantee of 99.9%. Rebate calculated as 1 day of service access fee credited for each hour of network downtime over and above the guaranteed level. Network downtime does not include faults in the underlying service from the exchange to the customer premises or any faults in the customers own network. Rebate must be claimed using our Standard Rebate Application Form within 3 months. Rebate will be applied as a credit against your bill. Maximum rebate available is the minimum monthly charge for the service. 8. Acceptable Usage Policy Applies.
