We offer a limited warranty on some kinds of hardware that you purchase from us.

To claim under the warranty, you should contact us as described on this website and answer any questions we have. We will assess whether you are eligible to claim under the warranty and whether to repair or replace your equipment, or provide a credit.

If we determine that your equipment needs to be returned, you will need to send the faulty equipment to us.

The warranty does not apply to faults caused by any of the following:

- (a) any equipment not supplied by us;

- (c) damage caused by you or someone who has used the equipment (for example misuse or exposure to liquid or excessive heat); or
- (d) an external event (for example a fire or flood).

The benefits given to you by this warranty are in addition to other rights and remedies you may have at law.
